Seeking your views on our Town Plan

Last month saw the launch of the Bridport and West Bay Town Plan, at a public meeting at the Town Hall on May 3rd.

Observations and input are welcomed from residents, surrounding parishes, local organisations and other authorities. Copies of the plan can be viewed at the Library and at the town council's Mountfield office.

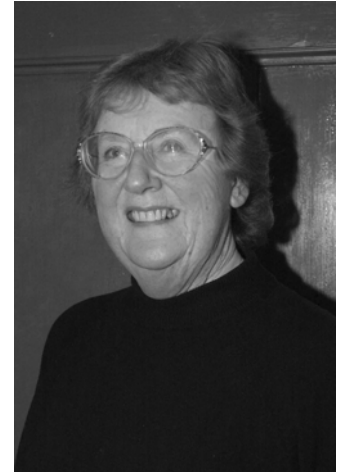

Presenting the Town Plan, Councillor Tony Fifield, chair of the team that prepared the document, stressed that the intention was that it should be firmly rooted in practical and achievable objectives, in areas where the town council has direct control or substantial influence. The

Town Plan covers a three year rolling period, to be updated annually, and is expected to become the main input to each year's budget debate.

The first year's activity will set up two new working groups, one to review open spaces and recreation facilities and the other to look at the town council's inclusion policy.

Please take a look at the Town Plan and give us your views -

by letter to Ron Gregory, Town Clerk, Bridport Town Council Mountfield, Bridport DT6 3JP, or by e-mail to r.gregory@bridport-tc.gov.uk.

Bridport Town Hall preparing a new funding bid

Bridport Town Council is preparing to submit a new bid to upgrade and refurbish the Town Hall.

Members of the public will have an opportunity to look at the new plans and make observations on them.

The building is being used increasingly for various meetings and exhibitions.

We would like to be able to have more than the present 100 people in the building, but we desperately need proper access for disabled people.

What is BLAP?

BLAP stands for the Bridport Local Area Partnership, established in 2004 to act as the authentic community voice for Bridport and surrounding parishes.

Membership of BLAP is free and open to groups, organisations and individuals in the Bridport area. The BLAP steering group, which meets quarterly, includes representatives from Bridport Town Council and seven neighbouring parishes, and from several other leading local organisations, including the Bridport and District Tourism Association, the Bridport Older People's Forum, the Western Area Transport Action Group (WATAG) and the Bridport Environment Group.

Matters currently being considered by the steering group include the need to establish a community-based forum on health issues, securing affordable housing for local people,

issues relating to the World Heritage Coast and planning matters.

For more information about BLAP or on how to join the partnership, contact Susan Anders, Bridport Community Partnership De-

velopment Officer, at the town council offices at Mountfield, Bridport; tel. 01308 456722; or e-mail s.anders@bridport-tc.gov.uk.
