#### **18. DECLARATIONS OF INTEREST**

There were no declarations of interest.

#### **19. WASTE MANAGEMENT CENTRE – BROOMHILLS APPLICATION**

The Committee noted that the Highways Agency had lodged a holding direction and the application could not be determined until the Highways Agency had confirmed that the holding direction had been removed. The Highways Agency was requesting additional information from the applicant. When all the necessary information had been provided, the County Council Planners would re-consult all interested parties, including the Town Council. The Planners did not anticipate the application going to their Committee until September at the earliest. At this stage therefore, the Plans Committee was not required to make a recommendation.

The Committee expressed its concern that the application had been lodged before the Highways issues had been addressed, but agreed that it should wait for this to happen, before it commented on the application.

RESOLVED: that consideration of this application be deferred until the Town Council was notified that the Highways Agency holding direction had been removed and the determination of the application was to be progressed.

**20. PLANNING APPLICATIONS**

RESOLVED: that

(a) the recommendations set out in column 4 of the [attached schedule A](#) be forwarded to the District Council.

(b) the applications in Schedule B be noted.

**21. PLANNING DECISIONS**

The Town Clerk reported for information, the planning decisions received relating to applications previously considered by the Committee, ENCL: 2698.

RESOLVED: that the planning decisions be noted.
