

### PROPOSED TEMPORARY ROAD CLOSURE OF VICTORIA GROVE, BRIDPORT

I have received an application from BT, to close VICTORIA GROVE, BRIDPORT from its junction with Coneygar Road, to its junction with North Mills Road, a distance of approximately 230 metres. The closure has been requested to allow BT to replace telegraph pole in highway. These works are programmed to commence from 13 March 2019 for 1 day with an end date of the 13th March 2019 between 09:30 and 15:30. The road closure is necessary for safety reasons, as the works will take place within the whole width of the carriageway.

BT will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only. However, if you have any concerns about this proposal, please contact Samantha Paulley, (trafficteam@dorsetcc.gov.uk) by the 28 February 2019.
