

Proposed Temporary Traffic Regulation Order - St Andrews Road / Sea Road North, Bridport

Dear Sir /Madam

We will be temporarily closing the St Andrews Road / Sea Road North, Bridport between 17th June 2019 and 20th June 2019. The road will be closed between the hours of 19:00 and 06:00 daily, to enable us to carry out maintenance work, but will be reopened during the day and at weekends.

The diversion route for drivers is marked in blue on the attached plan.

In the current financial climate, the highways service has had to focus on targeting the most damaged sections of road and areas with safety issues. We will be repairing sections of road within the area marked in red on the map.

While the road closure is in place an appropriate diversion route will be signed – as set out by Government regulations, we have to divert traffic onto the same classification of road as the one we have closed.

Please let us know of any concerns you have about this work.

We will contact you again nearer the time to confirm the dates of the work and the closure needed.

Yours Faithfully
