

Consultation document ref: SMP/100/19, dated 6th August 2019

PROPOSED TEMPORARY CLOSURE OF VICTORIA GROVE, BRIDPORT

I have received an application from BT to close VICTORIA GROVE, BRIDPORT between its junction with Mills Road and its junction with Coneygar Road, a distance of approximately 250 metres. The closure has been requested to allow BT to build 1 x concrete chamber in footway, erect/renew cabinet and base, install ducts in footway and carriageway and provide core drills into jointbox. These works are programmed to commence from 14 October 2019 until 25 October 2019.

BT will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Samantha Pauley, (trafficteam@dorsetcouncil.gov.uk) by 16 September 2019
