

Consultation document ref: SMP/212/19, dated 6th January 2020

## PROPOSED TEMPORARY CLOSURE OF B3162, NORTH ALLINGTON

I have received an application from BT to close B3162, NORTH ALLINGTON from its junction with Hospital Lane to its junction with Allington Mead, a distance of approximately 170 metres. The closure has been requested to allow BT to renew 2 x decaying telegraph poles. These works are programmed to commence on 24 February 2020 between 0930 and 1530.

BT will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Samantha Paulley, (trafficteam@dorsetcouncil.gov.uk) by 10 February 2020.
