

Consultation document ref: SMP/216/19, dated 7th January 2020

## PROPOSED TEMPORARY CLOSURE OF GEORGE STREET, WEST BAY, BRIDPORT

I have received an application from Western Power Distribution to close GEORGE STREET, WEST BAY, BRIDPORT between no. 5 George Street and The George Hotel, a distance of approximately 60 metres. The closure has been requested to allow Western Power Distribution to carry out road crossing and joint pit for electricity supply upgrade. These works are programmed to commence from 24 February 2020 until 28 February 2020.

Western Power Distribution will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Samantha Pauley, (trafficteam@dorsetcouncil.gov.uk) by 10 February 2020.
