

Consultation document ref: SMP/215/19, dated 6th January 2020

## PROPOSED TEMPORARY CLOSURE OF VICTORIA GROVE, BRIDPORT

I have received an application from BT to close VICTORIA GROVE, BRIDPORT from its junction with North Mills Road to its junction with Coneygar Road, a distance of approximately 260 metres. The closure has been requested to allow BT to locate and clear duct blockages, excavate to lay duct and install new frame and cover in carriageway. These works are programmed to commence from 19 March 2020 until 30 March 2020 between 0900 and 1700.

BT will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Samantha Pauley, (trafficteam@dorsetcouncil.gov.uk) by 17 February 2020.
