

Consultation document ref: SMP141/20, dated 25th August 2020

PROPOSED TEMPORARY CLOSURE OF WEST BAY ROAD, BRIDPORT

I have received an application from Wessex Water to close West Bay Road, Bridport between its junction with Wanderwell and its junction with Roundham Gardens, in both directions, a distance of approximately 130 metres. The closure has been requested to allow Wessex Water to rebuild 3 manhole chambers incorporating over pumping. These works are programmed to commence from 2nd November 2020 until 24th December 2020.

Wessex Water will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Isabelle Rowland, (trafficteam@dorsetcouncil.gov.uk) by 05 October 2020.
