

Consultation document ref: SMP135/20, dated 16th November 2020

PROPOSED TRAFFIC MANAGEMENT ORDER OF ST KATHERINES DRIVE & ST ANDREWS ROAD, BRIDPORT

I have received an application from Western Power Distribution to close ST KATHERINES DRIVE from its junction with St Andrews Road for a distance of 15 metres & restrict parking on ST ANDREWS ROAD, BRIDPORT at either side of St Katherines Drive as indicated by signs on site. The closure & restriction has been requested to allow Western Power Distribution to replace apparatus in substation. These works are programmed to commence from 26 January 2021 until 19 February 2021.

Western Power Distribution will publicise the road closure & restriction in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Samantha Pauley, (trafficteam@dorsetcouncil.gov.uk) by 28 December 2020.
