Dear Trader,

Bridport Town Council would like to produce a **comprehensive** Market Trader Directory for our Historic Street Market. Initially this will be online at www.bridportandwestbay.co.uk with the desire to turn it in to a full print publication.

We feel that this will ensure a great start to the much needed push on market promotion for 2021 and beyond. It is our greatest desire it to ensure this directory is comprehensive, therefore, I would be really grateful if all traders would be willing to take part in this by completing the attached directory booking form. This listing is completely free of charge.

If you require any further information or assistance please email the TIC direct at bridport.tic@bridport-tc.gov.uk or speak to one of our team on 01308 424901. Terri Foxwell - Tourism Manager

Yours Sincerely

Terri Foxwell
