

Consultation document ref: SMP/81/21, dated 27th August 2021

PROPOSED TEMPORARY CLOSURE OF PYMORE ROAD, BRIDPORT

I have received an application from Western Power Distribution to close PYMORE ROAD, BRIDPORT between the Pymore Inn and its junction with Pymore Lane/Watford Lane, a distance of approximately 95 metres. The closure has been requested to allow Western Power Distribution to carry out the replacement of poles and wires. These works are programmed to commence from 29 September 2021 until 30 September 2021 between 0900 and 1600.

Western Power Distribution will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Samantha Paulley, (trafficteam@dorsetcouncil.gov.uk) by 15 September 2021.
