PROPOSED TEMPORARY CLOSURE OF WATFORD LANE, PYMORE

I have received an application from Western Power Distribution to close WATFORD LANE, PYMORE from its junction with Pymore Road to Meadow Bank House, a distance of approximately 320 metres. The closure has been requested to allow Western Power Distribution to replace poles and equipment. These works are programmed to commence on 28 September 2021 between 0900 and 1600 until 28 September 2021.

Western Power Distribution will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Samantha Paulley, (trafficteam@dorsetcouncil.gov.uk) by 14 September 2021.
