

PROPOSED TEMPORARY CLOSURE OF UNNAMED ROAD, LODERS

I have received an application from Wessex Water to close Unnamed Road, Loders from the junction with Well Plot to a point approximately 30 metres to the west (in both directions), a distance of approximately 30 metres. The closure has been requested to allow Wessex Water to carry out a supply separation. These works are programmed to commence from 22nd November 2021 until 24th November 2021 and will be in operation 24 hours a day.

Wessex Water will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Tom Faulkner, (trafficteam@dorsetcouncil.gov.uk) by 3rd November 2021.
