Dear Sir/Madam

### **A35 Sea Road South / East Road, Bridport – Cycleway. Remedial Works**

Dorset Council Highways will be carrying out remedial works on the roundabout to solve some ponding issues at the pedestrian crossing points.

Starting on the evening of Monday 22<sup>nd</sup> November a short section of Sea Road South will be closed overnight from 19:00 to 06:00 on Tuesday 23<sup>rd</sup> November. During this period traffic will follow a signed diversion through the town via the A35 East Road Roundabout - East Street – South Street – West Bay Road to the A35 Crown Roundabout, and vice versa.

Following the night-time closure there will be three days of daytime works starting Wednesday 24<sup>th</sup> November 2021, as follows:

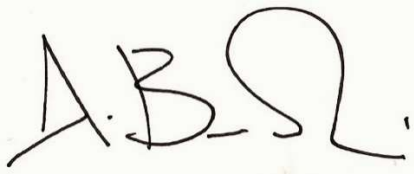

- Wednesday 24<sup>th</sup> November 2021, A35 East Road between Esso Garage and East Road Roundabout.
- Thursday 25<sup>th</sup> November 2021, A35 East Road on north-east of the East Road Roundabout exit lane onto East Road.
- Friday 26<sup>th</sup> November 2021, A3066 Sea Road North, approach to East Road Roundabout.

Traffic management will be required to provide safe working areas.

With this sort of work some inconvenience may be caused but we will ensure that it is kept to a minimum. In the event of any issues please contact:

- a) Specific concerns and special arrangements: Michael Paulley, Scheme Engineer, on 01305 225336 or a message can be left with the construction team's representative Colin James, Site Agent, on 01305 228100.
- b) Out of hours: If any urgent issues occur please telephone 01305 221000 where your message will be passed on to the relevant personnel.
- c) Emergencies: Dial 999 or 112 for the emergency services.

Yours faithfully,
