

BRIDPORT WAS... THERE WERE... IT USED TO HAVE... THEY USED TO DO... WE WOULD ALWAYS...

Please join us for a walking tour to help us identify the cultural and heritage highlights of the Bridport and the surrounding area. Together we can identify what we want to celebrate how we go about celebrating heritage in the future. Bring your kids too, we want to listen to everyone!

The walking tours will be led by Feria Urbanism, a design and planning practice that has been appointed by Bridport Town Council to support this Streetscape & Heritage Interpretation Study.
