

PROPOSED TEMPORARY CLOSURE OF ROPE WALKS, BRIDPORT

I have received an application from Jurassic Fibre Limited to close ROPE WALKS, BRIDPORT between its junction with The Tanyard for a distance of approximately 65 metres in a north west direction. To facilitate the diversion route the one-way system on Rope Walks from its junction with Gundry Lane will be temporarily revoked to allow 2 way traffic flow for access. The closure has been requested to allow Jurassic Fibre Limited access to complete a permanent reinstatement. These works are programmed to commence between 0800 until 1700 on 18 September 2022.

Jurassic Fibre Limited will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Izzy Rowland, (trafficteam@dorsetcouncil.gov.uk) by 04 September 2022
