## PROPOSED TEMPORARY CLOSURE OF ROPE WALKS, BRIDPORT

I have received an application from Wessex Water to close ROPE WALKS, BRIDPORT between The Tanyard and its junction with Gundry Lane, a distance of approximately 100 metres. The closure has been requested to allow Wessex Water to make a connection to an existing main. These works are programmed to commence on 05 September 2022 until 09 September 2022.

Wessex Water will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Izzy Rowland, (trafficteam@dorsetcouncil.gov.uk) by 21 August 2022.
