

PROPOSED TEMPORARY CLOSURE OF NORTH ALLINGTON, BRIDPORT

I have received an application from Wessex Water to close NORTH ALLINGTON, BRIDPORT between Fulbrooks Lane and Mount Pleasant (in both directions), a distance of approximately 130 metres. The closure has been requested to allow Wessex Water to repair a collapsed sewer. These works are programmed to commence from 24th October 2022 until 28th October 2022 and the road closure will be in operation 24 hours a day until completion.

Wessex Water will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Tom Faulkner, (trafficteam@dorsetcouncil.gov.uk) by 28th September 2022.
