## PROPOSED TEMPORARY CLOSURE OF FULBROOKS LANE, BRIDPORT

I have received an application from Openreach to close FULBROOKS LANE, BRIDPORT between its junction with B3162 and its junction with St Swithins Road, a distance of approximately 150 metres. The closure has been requested to allow Openreach to safe access to underground structure. These works are programmed to commence between 0930 and 1530 from 06 February 2023 until 09 February 2023.

Openreach will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Izzy Rowland, (trafficteam@dorsetcouncil.gov.uk) by 22 January 2023.
