PROPOSED TEMPORARY CLOSURE OF NORTH ALLINGTON, BRIDPORT

I have received an application from Wessex Water to close NORTH ALLINGTON, BRIDPORT between its junction with St Swithins Road and its junction with Parsonage Road, a distance of approximately 450 metres. The closure has been requested to allow Wessex Water to carry out CCTV survey and cleaning of sewer to restore customer service. These works are programmed to commence between 0930 and 1500 from 27 February 2023 until 03 March 2023.

Wessex Water will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Izzy Rowland, (trafficteam@dorsetcouncil.gov.uk) by 14 February 2023.
