PROPOSED TEMPORARY CLOSURE OF VARIOUS ROADS, BOTHENHAMPTON

I have received an application from Wessex Water to close VARIOUS ROADS, BOTHENHAMPTON.

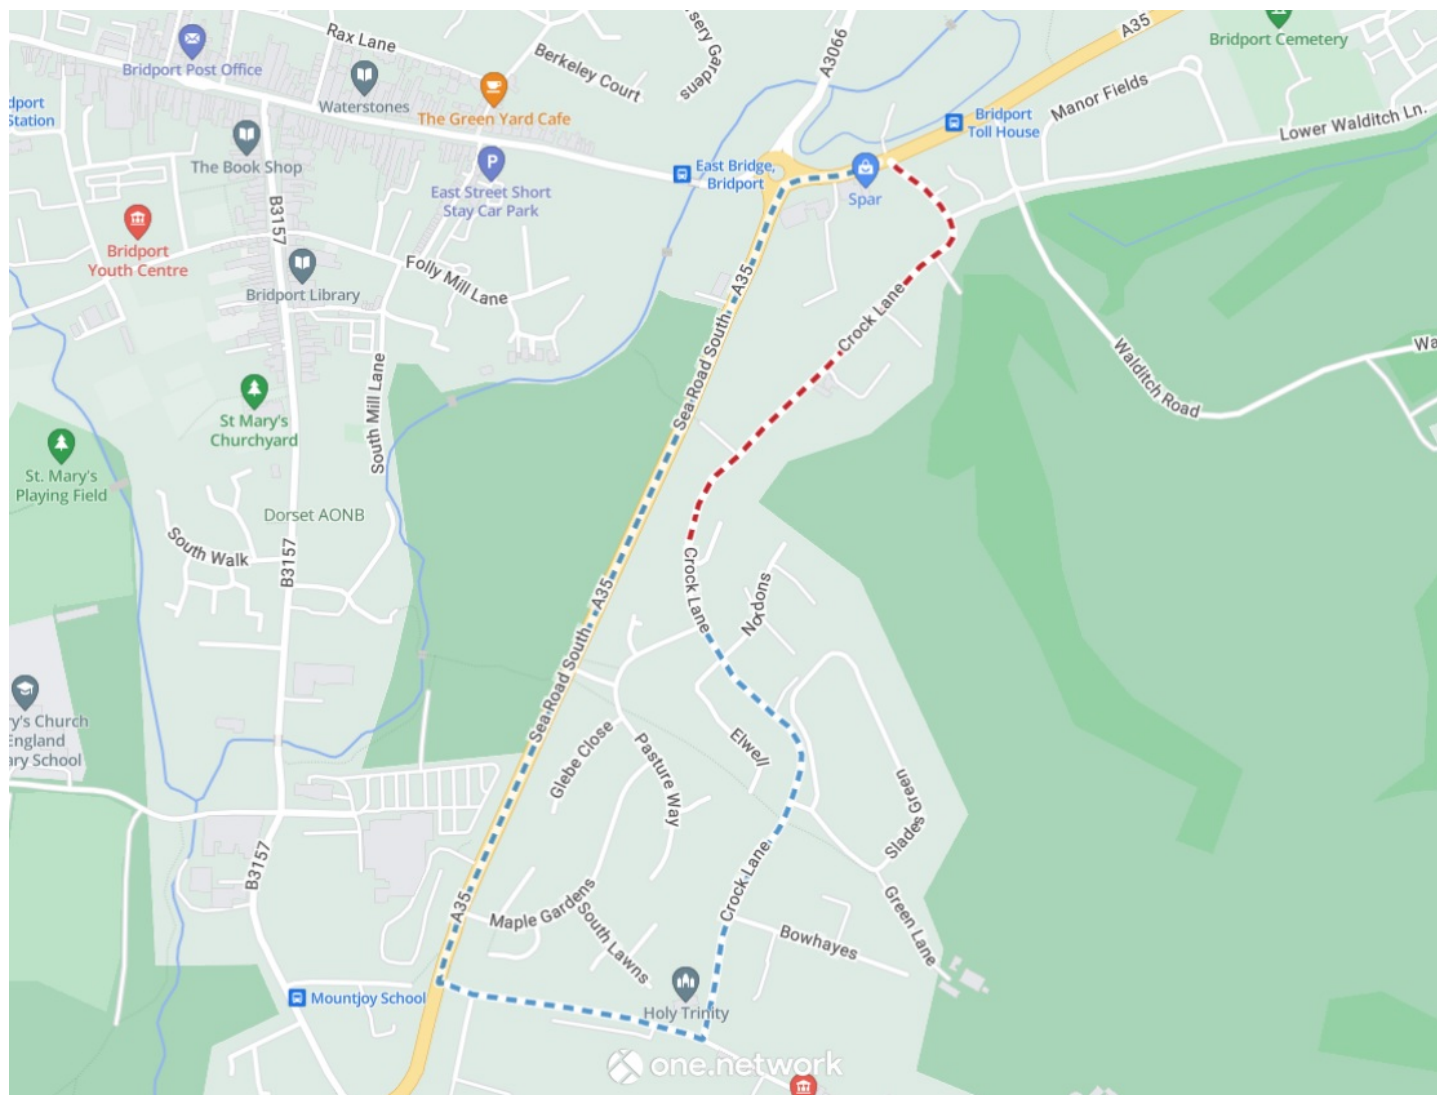

ASKER MEAD between its junction with A35 and its junction with Lower Walditch Lane, a distance of approximately 95 metres.

CROCK LANE between its junction with Lower Walditch Lane and its junction with Plumtree Gardens, a distance of approximately 490 metres.

The closure has been requested to allow Wessex Water to replace 450m of water main, in collaboration with BT. These works are programmed to commence from 24 April 2023 until 07 July 2023.

Wessex Water will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Izzy Rowland, (trafficteam@dorsetcouncil.gov.uk) by 26 March 2023.
