5. Bridport Area Neighbourhood Plan – Community Consultation

Five years ago, we developed the Neighbourhood Plan to help shape how Bridport and Symondsburry grow — deciding where development should happen, what it should look like, and how we protect our green spaces. Now it's time to review and update the Plan to keep it strong and relevant — and we need your views!

Join us at this in-person consultation session to:

Learn what's being proposed in the updated Plan

Ask questions and share your thoughts

Fill out a short survey (paper copies available on the day)

Your feedback really matters — the power of the Plan comes from local support.

The next meeting is proposed to be in February 2026 at 3pm at Bridport WI Hall – date to be confirmed
